A delicious way to fix it . . .
BEEF TONGUE is a ARKANSAS: Soak in water with two tablespoons of vinegar for 45 minutes. Then place in boiler, add chopped onions, butter, salt, pepper and two tablespoons of vinegar. Cover and boil over slow fire until tender, approximately three hours. Remove from boiler and skin, slice and serve with natural juices. If there is any left over for another meal you can slice and boil it or you can crumb it and mix with hard boiled eggs, pickles and onions and serve it as a salad.

APPLES

... are good so many ways

They're especially good nutritionally for the kiddies these winter days. A rich source of Vitamin C to help ward off winter colds, substantial amounts of carbohydrates and easily digested fruit sugars. Truly one of our most versatile foods as they can be used in so many ways to vary and add sparkle to our daily menus. Pack an apple in school lunches, serve apples in salads, pies, cobbles, sauce, fry 'em, bake 'em. No matter how you present them your family will welcome them with relish. Safeway's low prices put apples in the thrifty food class.
